

Car Link Dealer Sign UP

Welcome to CarLink. To activate a CarLink system, each Audiovox (Prestige, Pursuit or Code Alarm) Dealer must have access to our CarLink Dealer Activation Portal. Before you provide access to the Portal, we need some information. Once approved, you will receive an email with a link to set your own personal password. Accounts requesting activation ability need to fill out a form for each person requesting access. Please complete this form and send in for authorization before doing an actual installation.

The approval process can take up to 48 hours.

You must complete all fields.
